[◇] Please note figures are sourced from overseas data where equipment levels by model variant may vary.

¹ Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.

² Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.

³ Audi connect plus Navigation & Infotainment services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. Audi connect plus services are valid for 3 years after vehicle delivery. Emergency call and Audi service request are valid for 10 years after vehicle delivery. If Audi connect plus services are based on services from third-party providers, permanent availability cannot be guaranteed as this is the responsibility of the third-party provider.

⁴ Audi connect plus Security & Assistance services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The services provided by Audi are only available within the coverage of the mobile phone network. The services are generally provided for at least 1 year and up to 3 years from vehicle delivery. The emergency call service is provided for up to 10 years from vehicle delivery.

⁵ Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.

⁶ Digital radio reception coverage dependent on vehicle location.

⁷ MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.
