Standard equipment and options

	Option Code	RS 6 Avant performance	RS 7 Sportback performance
Assistance systems²			
Adaptive drive assist including adaptive cruise control with Stop&Go, distance indicator and traffic jam assist ²		●	●
Audi active lane assist – when activated helps the driver stay in the lane by gentle corrective steering intervention and through steering vibration ²		●	●
Audi side assist – blind spot warning system ²		●	●
360 degree cameras including kerb view function – 4 wide-angle cameras cover the entire area immediately around the vehicle, providing a range of different views for even easier manoeuvring ²		●	●
Park assist plus with parking system plus assists driver by taking over steering, maneuvering, braking and gear shifting; features acoustic signals with virtual lane display ² ; with front and rear parking sensors		●	●
Collision avoidance assist – provides additional assistance to the driver with supporting steering torque in critical situations where the driver initiates evasive action ²		●	●
Cross traffic assist rear – supports the driver when reversing out of a perpendicular parking space reducing the risk of accidents ²		●	●
Intersection crossing assist – monitors the area in front of and at the side of the vehicle on junctions and exit roads to detect oncoming objects. A visual and acoustic warning is provided, and if the situation is critical, a warning brake jolt follows which operates at speeds up to 10 km/h ²		●	●
Exit warning system – detects vehicles and cyclists when opening doors; providing a warning light and initiating a slight delay in door opening		●	●
Light and rain sensor – automatic control of lights-on function and windscreen wipers		●	●
Predictive efficiency assistant ²		●	●
Turn assist – monitors oncoming traffic when turning right at low speeds ²		●	●
Exterior features			
HD Matrix LED headlights with Audi laser light and RS-specific darkened trims – combines LED light sources with high definition precision optics for higher resolution adaptive light distribution. If other vehicles are detected, the system precisely masks just the area of the detected vehicle. Other functions include position light, turning light, all-weather light, motorway light and dynamic indicators at front and rear. Also includes Coming home and Leaving home animation for front and rear lights. The Audi laser light supplements the LED high beam from speeds of 70 km/h and provides the driver with noticeably more safety and convenience by almost doubling the visual range		●	●
Privacy glass – dark tinted rear and rear side windows		●	●
Black exterior styling package – black highlights around the Audi Singleframe, the trim strips on the side windows, the front and rear bumpers and exterior mirrors in black. Includes black roof rails for RS 6 Avant		●	●
