Audi S8 Australian Specifications

S8 quattro

Technical data	
Engine type	V8 petrol engine with direct fuel injection, twin turbocharging, 48V Mild Hybrid Electric Vehicle technology (MHEV) and Cylinder on Demand (CoD)
Capacity (cc)	3,996
Power (kW/rpm)	420 / 6,000
Torque (Nm/rpm)	800 / 2,050 - 4,500
Driveline	quattro
Transmission	8 speed tiptronic
Start-Stop system	●
Acceleration (sec) 0-100km/h°	3.8
Top speed (km/h)°	250
Fuel consumption (combined)	
▶ Litres per 100km ^Δ	10.4 ^Δ
▶ CO ₂ emissions grams per km ^Δ	242 ^Δ
Unladen weight in kg (includes 75kg for driver) ¹	2,295

Safety ²	
Anti-theft alarm system – monitors doors, bonnet and luggage compartment	●
Front airbags for driver and passenger, side airbags for front and rear outer passengers, head level curtain airbag for front and rear, centre airbag between driver and front passenger	●
Crash-active front head restraints	●
Electromechanical parking brake	●
Electronic Stabilisation Control (ESC) with electronic wheel-selective torque control, ABS, ASR, EDL and Brake Assist	●
First aid kit, warning triangle and high visibility vests	●
Hold assist – holds the vehicle on gradients indefinitely to enable smooth driving	●
Seatbelt reminders for all seats	●
Tyre pressure monitoring system	●

● = Standard | * = Optional equipment, Manufacturers List Price shown | – = Not available | NCO = No cost option

Δ Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Figures are on the basis of 21 inch wheels. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

◇ Please note figures are sourced from overseas data where equipment levels by model variant may vary.

* Manufacturer's Recommended List Price (MRLP) of the factory fitted options only and include GST and, if applicable Luxury Car Tax (LCT). MRLP excludes dealer charges, which may vary from dealer to dealer, and all other government and statutory charges, which vary from state to state. The MRLP is correct at the date of publication is subject to change without notice. For the latest MRLP pricing please contact your local Audi Dealer.

Standard Equipment and Options

	Option Code	S8 quattro
Wheels, suspension and driving dynamics		
 21" Audi Sport alloy wheels in 10-Y-spoke evo design, anthracite black, gloss turned finish with 265/35 tyres		●
 21" Audi Sport alloy wheels in 10-spoke star design, black with 265/35 tyres	C5J	NCO
 21" alloy wheels in 5-twin-spoke star S design, black, gloss turned finish with 265/35 tyres	F25	NCO
Anti-theft wheel bolts and loose wheel detection		●
Tyre repair kit		●
Audi drive select – allows the selection of various driving modes		●
quattro sport rear differential		●
Dynamic steering package		
<ul style="list-style-type: none"> ▶ All-wheel steering – at low speeds, the steering effort reduces for the driver and the turning circle of the vehicle is reduced by approximately 1.1m. At higher speeds, the response behaviour and the driving stability are improved by a targeted adjustment of the rear wheels ▶ Dynamic steering – variable ratio steering depending on the driving situation and driver preference 		●
Adaptive air suspension – electronically controlled air suspension with continuously variable adaptive damping system on all 4 wheels; automatically regulates the vehicle height and damping; includes level control and manual lift function		●
Predictive active suspension		
<ul style="list-style-type: none"> ▶ Actively controls the body in any driving situation, greatly reducing pitch and roll during acceleration or braking ▶ Allows the body to be quickly raised by as much as 50mm when the door handle is actuated for easier entry and exit ▶ Can instantly raise the side body by as much as 80mm with an impending side impact, mitigating the severity of the accident for all occupants 		●
Red brake callipers		●

Standard Equipment and Options

	Option Code	S8 quattro
Assistance systems²		
Adaptive cruise assist with Stop&Go including traffic jam assist and distance indicator ²		●
Audi active lane assist – when activated helps the driver stay in the lane by gentle corrective steering intervention and through steering vibration ²		●
Audi side assist – warns of vehicles in the blind spot as well as those approaching rapidly to the side ²		●
360 degree cameras including kerb view function – 4 wide-angle cameras cover the entire area immediately around the vehicle, providing a range of different views for even easier manoeuvring ²		●
Audi parking system plus with front and rear parking sensors with visual display ²		●
Attention assist – provides a warning alert tone and visual signal if the system evaluates that the driver’s attention may be lapsing ²		●
Audi pre-sense front with Autonomous Emergency Braking – provides collision mitigation from 5km/h up to 85 km/h (pedestrians and cyclists) and up to 250 km/h (vehicles) ²		●
Audi pre-sense rear – preventative protection measures including tensioning of front seat belts and closing of windows and sunroof where the risk of a collision is detected from the rear ²		●
Collision avoidance assist – provides additional assistance to the driver with supporting steering torque in critical situations where the driver initiates evasive action ²		●
Turn assist – monitors oncoming traffic when turning right at low speeds ²		●
Emergency assist – within system limits, detects when the driver fails to respond. In such instance, the system provides the driver with a visual, acoustic and haptic warning ²		●
Cross traffic assist rear – supports the driver when reversing out of a perpendicular parking space reducing the risk of accidents ²		●
Intersection crossing assist – monitors the area in front of and at the side of the vehicle on junctions and exit roads to detect oncoming objects. A visual and acoustic warning is provided, and if the situation is critical, a warning brake jolt follows which operates at speeds up to 10 km/h ²		●
Exit warning system – detects cars and cyclists when opening doors ²		●
Predictive efficiency assist ²		●
Night vision assistant – improves poor visibility in the dark by electronically visualising the road and surroundings, including identifying and marking out people and larger wild animals ²		●
Exterior features		
Digital Matrix LED headlights with HD matrix function and OLED rear lights; extended light sequencing – 5 dynamic image/animation projections; front and rear dynamic indicators, daytime running lights, dipped beam, high beam, position light, turning light, all-weather light, motorway light, static cornering light, manoeuvring light, automatic-dynamic headlight range control, lane light and orientation light for light-assisted lane guidance		●
S specific exterior package includes front and rear S specific bumpers, grille, S badging on front and quad exhaust system		●
Black styling package includes gloss black exterior mirrors and black accents in the Singleframe, trim strips on the side windows as well as front and rear bumpers (not available in combination with high gloss styling package)		●
High gloss styling package (not available in combination with black styling package)	4ZB	NCO
Audi rings and badging in black (not available in combination with high gloss styling package)	4ZP	\$700
Convenience key, full keyless entry and start		●
Electric opening and closing boot lid with gesture control		●
Exterior mirrors; heated, folding and auto dimming with memory; kerb-side function on the passenger side		●
Power assisted door closure – automatically pulls doors that are not completely engaged into the locks		●
Sunroof, panoramic, tinted glass, electrically tilting and opening with electric sun shade		●
Privacy glass – dark tinted rear and rear side windows		●
Acoustic glazing – improved exterior noise insulation thanks to double glazing		●
Adaptive windscreen wipers with integrated washer jets – cleaning fluid is sprayed directly in front of the wiper blades, reducing the spray of water on the windscreen		●

● = Standard | * = Optional equipment, Manufacturers List Price shown | – = Not available | NCO = No cost option

‡ The content and scope of the Audi connect plus services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Audi connect plus services. Terms and conditions apply, please visit www.audi.com.au/audiconnectplus-termsofservice for more information. Additional Information about our privacy practices and procedures is contained in our Privacy Policy located at: www.audi.com.au/audiconnectplus-privacypolicy.

◇ Please note figures are sourced from overseas data where equipment levels by model variant may vary.

1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.

2 Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.

3 Audi connect plus Navigation & Infotainment services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. Audi connect plus services are valid for 3 years after vehicle delivery. Emergency call and Audi service request are valid for 10 years after vehicle delivery. If Audi connect plus services are based on services from third-party providers, permanent availability cannot be guaranteed as this is the responsibility of the third-party provider.

4 Audi connect plus Security & Assistance services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The services provided by Audi are only available within the coverage of the mobile phone network. The services are generally provided for at least 1 year and up to 3 years from vehicle delivery. The emergency call service is provided for up to 10 years from vehicle delivery.

5 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.

6 Digital radio reception coverage dependent on vehicle location.

7 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

Vehicle pictured is a S8 Sedan quattro tiptronic overseas model with optional equipment.
