Audi e-tron GT | RS e-tron GT Australian Specifications

	e-tron GT	RS e-tron GT
<b>Technical data</b>		
Battery type	Lithium-ion	Lithium-ion
Gross battery capacity (kWh)	93	93
Motors	Electric motors on front and rear axles	Electric motors on front and rear axles
Power (kW)	350 (390 in boost mode)	440 (475 in boost mode)
Torque (Nm)	630 (640 in boost mode)	830
Driveline	quattro	quattro
Transmission	2-speed / automatic	2-speed / automatic
Acceleration (sec) 0-100 km/h <sup>o</sup>	4.1	3.3
Weight		
▶ Unladen weight in kg <sup>1</sup>	2,350	2,420
Consumption kWh/100 km	19.2 <sup>#</sup>	20.2 <sup>Δ</sup>

### e-tron features

e-tron home/portable charging system

- ▶ LEDs on the control unit indicate status of charging system and charging process
- ▶ 4.5m Type 2, Mode 2 charging cable including domestic and industrial plug with up to 7.2kW (AC) single phase charging capability<sup>2</sup>

Battery energy recuperation – 3 stages enable to adapt recuperation to preferred setting, each stage having a different level of deceleration for recovering different amounts of energy

Lithium-ion battery: 800 Volts, 93 kWh

Charging port on passenger side (AC / DC) and charging port on driver side (AC)

Charging cable for Australia domestic socket

Six year Chargefox subscription<sup>10</sup>

Six year Audi scheduled servicing<sup>11</sup>

Six year Audi roadside assistance<sup>12</sup>

### Safety<sup>3</sup>

Front airbags for driver and passenger, side airbags for front and rear side passengers, head level curtain airbag for front and rear

Attention assist – provides a warning alert tone and visual signal if the system evaluates that the drivers attention may be lapsing

Audi pre-sense basic with pre-sense rear

Audi pre-sense city with Autonomous Emergency Braking, pedestrian detection and cyclist detection

Electronic Stabilisation Control (ESC) with electronic wheel-selective torque control, ABS, ASR, EDL and Brake Assist

Tyre pressure monitoring system – status of air pressure and temperatures tyres are displayed in the MMI system

First aid kit with warning triangle and safety vests

Anti-theft alarm system

Seatbelt reminders for all passengers

● = Standard | \* = Optional equipment, Manufacturer's Recommended List Price (MRLP) shown | – = Not available | NCO = No cost option

<sup>Δ</sup> Combined figure based on ADR 81/02 (pure electric range). Figure is derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition, use of ancillary features (e.g. air-conditioning) and accessories (including wheel size) fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

<sup>o</sup> Please note figures are sourced from overseas data where equipment levels by model variant may vary.

<sup>#</sup> Figures are calculated on the basis of 20 inch wheels.

<sup>Δ</sup> Figures are calculated on the basis of 21 inch wheels.

<sup>\*</sup> Manufacturer's Recommended List Price (MRLP) of the factory fitted options only and include GST and, if applicable Luxury Car Tax (LCT). MRLP excludes dealer charges, which may vary from dealer to dealer, and all other government and statutory charges, which vary from state to state. The MRLP is correct at the date of publication is subject to change without notice. For the latest MRLP pricing please contact your local Audi Dealer.

## Standard equipment and options

	Option Code	e-tron GT	RS e-tron GT
<b>Assistance systems<sup>3</sup></b>			
Adaptive cruise assist including adaptive cruise control with Stop&Go, distance indicator, traffic jam assist and lane guidance assist <sup>3</sup>		●	●
Audi pre-sense front with Autonomous Emergency Braking (AEB) – provides collision mitigation from 5km/h (cyclists), up to 85 km/h (pedestrians) and up to 250 km/h (vehicles) <sup>3</sup>		●	●
Audi active lane assist – when activated helps the driver stay in the lane by gentle corrective steering intervention <sup>3</sup>		●	●
Audi pre-sense rear – preventative protection measures including tensioning of front seat belts and closing of windows where the risk of a collision is detected <sup>3</sup>		●	●
Audi side assist – blind spot warning system <sup>3</sup>		●	●
360 degree cameras including kerb view function – 4 wide-angle cameras cover the entire area immediately around the vehicle, providing a range of different views for even easier manoeuvring <sup>3</sup>		●	●
Park assist with Audi parking system plus including front and rear sensors <sup>3</sup>		●	●
Intersection crossing assist – monitors the area in front of and at the side of the vehicle on junctions and exit roads to detect oncoming objects. A visual and acoustic warning is provided, and if the situation is critical, a warning brake jolt follows which operates at speeds up to 10 km/h <sup>3</sup>		●	●
Collision avoidance assist – provides additional assistance to the driver with supporting steering torque in critical situations where the driver initiates evasive action <sup>3</sup>		●	●
Cross traffic assist rear – supports the driver when reversing out of a perpendicular parking space reducing the risk of accidents <sup>3</sup>		●	●
Exit warning system – detects cars and cyclists when opening doors <sup>3</sup>		●	●
Light and rain sensor – automatic control of lights-on function and windscreen wipers <sup>3</sup>		●	●
Predictive efficiency assistant <sup>3</sup>		●	●
Turn assist – monitors oncoming traffic when turning right at low speeds <sup>3</sup>		●	●
<b>Exterior features</b>			
Acoustic vehicle alerting system – exterior acoustic system for producing an audible warning outside the vehicle		●	–
RS e-tron sport sound – sound profile can be individually adjusted via Audi drive select		–	●
Fixed glass roof		●	●
Privacy glass – dark tinted rear and rear side windows	QL5	Included in Premium plus package	●
Windshield with heat-insulating glass and acoustic glass		●	●
Singleframe in Hekla grey		●	–
Singleframe in body colour	6H1	\$850*	●
Exterior mirror housings in body colour		●	–
Black exterior styling package – accents on the Singleframe mask, the side door inserts and the front and rear bumpers in black and exterior mirror housing in high-gloss black (with Singleframe in body colour for e-tron GT)	4ZD	\$4,200*	●
Audi rings and badging in gloss black (RS rhombus in red for RS e-tron GT)	4ZP	–	\$700*
Convenience key, full keyless entry and start		●	●
Electric rear boot lid with gesture control		●	●
Exterior mirrors; heated, folding and auto-dimming with memory; kerb-side function on the passenger side		●	●
HD Matrix LED headlights with Audi laser light – with front and rear dynamic indicators; daytime running lights, dipped beam, high beam, position light, turning light, all-weather light, motorway light, cornering light, automatic-dynamic headlight range control and dynamic light design. Includes LED tail lights with dynamic lighting scheme		●	●

● = Standard | \* = Optional equipment, Manufacturer's Recommended List Price (MRLP) shown | – = Not available | NCO = No cost option

Head-up display – in colour with speed, navigation and assistance information		●	●
<b>MMI navigation plus<sup>8</sup> with MMI touch, acoustic &amp; haptic feedback including:</b>			
▶ High-resolution 10.1 inch colour display for navigation system			
▶ Voice control with natural speech recognition		●	●
▶ 3D map display including places of interest and city models			
▶ MMI search: free-text search with intelligent destination suggestions			
▶ Everyday speech interaction for easy operation of infotainment features			
● = Standard   * = Optional equipment, Manufacturer's Recommended List Price (MRLP) shown   – = Not available   NCO = No cost option			
= Conditions and exclusions apply, see <a href="https://www.audi.com.au/au/web/en/owners/warranty.html">https://www.audi.com.au/au/web/en/owners/warranty.html</a> . Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under Australian Consumer Law and do not limit or replace them.			
* Manufacturer's Recommended List Price (MRLP) of the factory fitted options only and include GST and, if applicable Luxury Car Tax (LCT). MRLP excludes dealer charges, which may vary from dealer to dealer, and all other government and statutory charges, which vary from state to state. The MRLP is correct at the date of publication is subject to change without notice. For the latest MRLP pricing please contact your local Audi Dealer.			
#Δ Combined figure based on ADR 81/02 (pure electric range). Figure is derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition, use of ancillary features (e.g. air-conditioning) and accessories (including wheel size) fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.			
* The content and scope of the Audi connect plus services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Audi connect plus services. Terms and conditions apply, please visit <a href="https://www.audi.com.au/audiconnectplus-termsofservice">www.audi.com.au/audiconnectplus-termsofservice</a> for more information. Additional information about our privacy practices and procedures is contained in our Privacy Policy located at: <a href="https://www.audi.com.au/audiconnectplus-privacypolicy">www.audi.com.au/audiconnectplus-privacypolicy</a>			
◇ Please note figures are sourced from overseas data where equipment levels by model variant may vary.			
1 Unladen vehicle weight includes driver (75kg), calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.			
2 The charging capacity depends on the type of mains connection plug, country-specific voltage, number of available phases of the power grid, and customer-specific house installation. It can therefore be reduced on an individual basis. The power supply cable with an industrial plug and the operating unit of the charging system are matched to each other and allow a certain charging capacity. Changing the power supply cable later to another industrial plug is technically possible, but this may lead to a lower charging performance.			
3 Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.			
4 Audi connect plus Navigation & Infotainment services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. Audi connect plus services are valid for 3 years after vehicle delivery. Emergency call and Audi service request are valid for 10 years after vehicle delivery. If Audi connect plus services are based on services from third-party providers, permanent availability cannot be guaranteed as this is the responsibility of the third-party provider.			
5 Audi connect plus Security & Assistance services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The services provided by Audi are only available within the coverage of the mobile phone network. The services are generally provided for at least 1 year and up to 3 years from vehicle delivery. The emergency call service is provided for up to 10 years from vehicle delivery.			
6 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.			
7 Digital radio reception coverage dependent on vehicle location.			
8 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.			
9 Leather appointed seat upholstery has a combination of genuine and artificial leather, but are not wholly leather.			
10 Chargefox Rapid and Ultra-rapid charging stations only, some exclusions apply. Please visit <a href="https://www.chargefox.com.au">chargefox.com.au</a> and the Chargefox app for eligible rapid and ultra-rapid charging locations and terms of use.			
11 Terms, conditions and exclusions apply. ( <a href="https://www.audi.com.au/au/web/en/model-range/e-tron-hub/e-tron-customer-benefits.html#layer=/au/web/en/terms-and-conditions/e-tron-servicing.html">https://www.audi.com.au/au/web/en/model-range/e-tron-hub/e-tron-customer-benefits.html#layer=/au/web/en/terms-and-conditions/e-tron-servicing.html</a> )			
12 Terms, conditions and exclusions apply. ( <a href="https://www.audi.com.au/au/web/en/model-range/e-tron-hub/e-tron-customer-benefits.html#layer=/au/web/en/terms-and-conditions/roadside-assistance.html">https://www.audi.com.au/au/web/en/model-range/e-tron-hub/e-tron-customer-benefits.html#layer=/au/web/en/terms-and-conditions/roadside-assistance.html</a> )
