- ▶ Your vehicle registration number;
- ▶ A description of the problem.

Who is the Roadside Assistance Provider?

Roadside Assistance under your membership is provided by AWP Australia Pty Ltd ABN 52 097 227 177 trading as 'Allianz Global Assistance' (Allianz Global Assistance). Whenever you request roadside vehicle assistance under your membership, you will be making that request to Allianz Global Assistance, who will provide the services on the terms and conditions set out below. The terms and conditions contain exclusions and limitations.

Eligibility criteria

In order to be eligible for roadside assistance, your vehicle must be a roadworthy well-maintained vehicle. If your vehicle is not a roadworthy well-maintained vehicle, we may still arrange a roadside assistance provider to service your callout but we will inform you of the cost that will be charged to provide you with assistance. This cost will be your responsibility.

Please stay with your vehicle

Once a roadside service provider has been called, it is important that you remain with your vehicle if it is safe to do so. Should we arrive at the scene of the breakdown and the vehicle is unattended, we will be unable to carry out any work and payment may be required for any subsequent callouts to assist with the same incident. If you require assistance and have to leave your vehicle for safety reasons, please advise the customer service assistant at the time of the initial call.

Tele-assist

Once our customer service assistant receives your call, we will provide general advice about the operation of your vehicle. If your vehicle is immobilised, we will provide an over-the-phone diagnosis (where possible) to get your vehicle mobilised.

Roadside assistance

If our customer service assistant is unable to get your vehicle mobilised over the telephone, we will dispatch a service provider to assist in the following ways:

Flat batteries

For flat batteries, please refer to the towing limits outlined below.

Flat tyres

If you find yourself with a flat tyre, we will change it with the vehicle's serviceable spare wheel or use the tyre repair kit (if available). If your vehicle is not equipped with a spare wheel or tyre repair kit, we will transport the vehicle to your preferred Audi dealer, or an approved tyre outlet or authorised repairer, whichever is the nearest (subject to the towing/transportation limits). Should additional services be required beyond this due to multiple flat tyres, the spare tyre being unserviceable, replacement wheel studs/nuts not being available or locking wheel nut key not available, towing will be provided at your cost.

Lost or locked keys

If you lose your keys or lock them in your vehicle, we will provide all reasonable assistance (subject to proof of ownership shown) to:

- ▶ locate and deliver a spare key or
- ▶ arrange for the driver to retrieve the spare key, if this is more practical; or
- ▶ gain access to your vehicle (once a consent and indemnity form has been signed by you).

In all other situations where the key is not available, we will arrange to transport the vehicle to an authorised repairer, where the appropriate entry methods may be used. We will not be responsible for any damage incurred, or for any repair costs that result from gaining access to the vehicle or moving the vehicle while it is locked. A limit of \$150.00 (inc. GST) applies to this benefit. All additional costs are your responsibility.

Towing/transportation

If your vehicle cannot be mobilised at the breakdown location, we will deliver your vehicle to either the nearest Audi dealer, or your preferred Audi dealer, provided your preferred Audi dealer is no more than 40 kilometres beyond the nearest Audi dealer.

If the breakdown has occurred after business hours, we will arrange for your vehicle to be stored at a secure facility and delivered to the authorised repairer the next working day. For e-tron models, we will arrange towing either to the nearest charging point, the nearest Audi dealer or to your home, whichever is the nearest within towing limits.

Accident Coordination

Following an accident, we will coordinate towing arrangements and will also provide advice on accident procedures. If required, we will coordinate alternative transport to enable you to continue your journey. All accident towing and alternative transport costs are your responsibility.

(Note that these costs, subject to the payment of any excess, may be recoverable from your insurance company under an appropriate insurance policy. You will be responsible for contacting your insurance company.)

Bogged vehicle

We will, at your cost, attend and recover your vehicle from a bogged situation provided that reasonable and safe access is available to a conventional two wheel drive recovery vehicle and no other specialist equipment is necessary. All costs will be your responsibility.

Caravan & Trailer Assistance

If your vehicle suffers a breakdown and requires transportation to a repairer, we will coordinate transport of the attached caravan or trailer to the same repairer or nearest safe location at your cost.

Taxi

If your vehicle cannot be mobilised due to a breakdown and must be transported to the nearest authorised repairer, we will provide one taxi ride per incident, to a maximum value of \$100.00 (inc. GST) so you and your passengers can continue your journey to your intended destination.

Emergency accommodation

If your vehicle is immobilised by a breakdown for more than 24 hours and you are more than 70 kilometres from your home, we will provide five (5) nights of accommodation up to the value of \$150.00 (inc. GST) per night (room cost only) should you decide to remain with your vehicle while it is repaired locally, or if alternative transport is unavailable. Any amounts charged in excess of this limit will be at your cost. This benefit will stop once your vehicle has been repaired. In addition to five (5) nights of emergency accommodation, we will provide a rental vehicle for up to three (3) days to a value of \$100.00 (inc. GST) per day.

Car rental

If your vehicle is immobilised by a breakdown, we will provide a rental vehicle for up to ten (10) days. Any amount charged in excess of this limit will be at your cost. You will be responsible for all fuel costs, toll charges, insurance excess reduction, excess kilometre charges, any traffic infringements, relocation fees, any damage and any excess or insurance waivers on the rental vehicle. Rental vehicle benefits cease on the day the vehicle has been repaired. Cannot be used in conjunction with Emergency Accommodation &/or Alternative Transportation.

Alternative transportation

Should hotel accommodation or a rental vehicle be unavailable following the immobilisation of your vehicle due to a breakdown (for more than 24 hours) and you are more than 70 kilometres from your home, we will transport you and up to four of your passengers to your home or to your intended destination up to the value of \$450.00 (inc. GST). Any amounts charged in excess of this will be at your cost.

Vehicle relocation

Vehicle relocation will be provided where your vehicle has a breakdown more than 70 kilometres from your home and cannot be repaired on the same day. If you have left the vehicle to continue your journey, vehicle relocation will be provided to deliver the vehicle, once repaired, to your home or intended destination (whichever is the nearest) where the distance between you and the selected authorised repairer is greater than 70 kilometres. Alternatively, return transport will be provided to enable the driver to pick up the repaired vehicle.

Urgent message relay

Following a breakdown or accident, we will relay urgent messages to family, friends or business associates likely to be affected or concerned by the disruption or delay and/or provide advice on local transport options and alternatives.

Legal advice

Telephone legal advice is available from one of our preferred legal firms for preliminary advice on any matter involving the use or ownership of your vehicle. Advice is confidential and there are no consultation fees or telephone charges. It does not extend to written advice, preparation of briefs or personal interviews.

Medical advice

Urgent telephone medical advice provided by a qualified nurse or doctor is available 24 hours a day. Medical advice will also be extended to any direct family members if they are travelling with you or if they are at home while you are travelling. You will be responsible for all associated medical costs.

Property Assistance

Should any unforeseen household emergency arise due to fire, flood, storm, earthquake or burglary, whilst travelling away from your home in your vehicle, we will arrange for the appropriate provider to attend the driver's home and minimise further loss or damage and ensure personal safety. We will arrange the assistance, however, all repair costs, supervision and authorisation of repairs are your responsibility.
