1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car’s unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.

2 Certain sections of the leather appointed seat upholstery contain man made material.

3 Audi connect allows access to selected Google services. Audi Australia cannot guarantee permanent availability and/or service longevity of Audi connect services provided by or via a third party.

4 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.

5 Digital radio reception coverage dependent on vehicle location.

6 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

7 SUNA™ live traffic update service is only available in selected metropolitan areas. It operates from information provided by Intelematics Australia Pty. Ltd. and may not cover all road incidents and/or congestion. Refer to www.sunattraffic.com.au for details.
