

Due to global component shortages, certain standard and optional equipment is not currently available on certain Audi model vehicles. Please note that the features highlighted in this Specification Guide are affected by the shortage and are not currently available to order.

e-tron **S**

Audi e-tron S | e-tron S Sportback Australian Specifications

	e-tron S	e-tron S Sportback
Technical data		
Engine type	Lithium-ion battery	Lithium-ion battery
Battery energy content (kWh)	95	95
Power (kW)	320 (370 in boost mode)	320 (370 in boost mode)
Torque (Nm/rpm)	808 (973 in boost mode)	808 (973 in boost mode)
Driveline	quattro	quattro
Transmission	Two-stage planetary gearbox with single gear	Two-stage planetary gearbox with single gear
Acceleration (sec) 0-100 km/h	5.1 (4.5 in boost mode)	5.1 (4.5 in boost mode)
Weight		
▶ Unladen weight in kg ¹	2,655	2,655
▶ Maximum towing weight (braked) in kg	1,800	1,800
▶ Maximum ball weight kg	180	180
▶ Maximum gross combined weight in kg	5,080	5,080
Consumption kWh/100 km ⁴	26.4 ^Δ	26.0 ^Δ
▶ CO ₂ emissions grams per km	0	0
e-tron features		
Compact e-tron charging system – consisting of a control unit and 4.5m Type 2, Mode 2 charging cable with a domestic and industrial plug. LEDs on the control unit indicate the level of charge	●	●
Battery energy recuperation – 3 stages enable to adapt recuperation to preferred setting, each stage having a different level of deceleration for recovering different amounts of energy	●	●
Lithium-ion battery: 400 Volts, 95 kWh	●	●
Charging port on drivers side AC / DC and 2nd charging port on passenger side AC	●	●
Plug: Type 2 CCS (up to AC 11 kW / DC 150 kW)	●	●
Charging cable for Australian Standard domestic socket	●	●
Charging cable for public charging stations	●	●
Six year Chargefox public charging subscription ⁸	●	●
Six year Audi scheduled servicing ⁹	●	●
Six year Audi roadside assistance ¹⁰	●	●
Safety		
Front airbags for driver and passenger, side airbags for front and rear side passengers, head level curtain airbag for front and rear	●	●
Attention assist – provides a warning alert tone and visual signal if the system evaluates that the drivers attention may be lapsing ²	●	●
Audi pre-sense basic with pre-sense rear ²	●	●
Audi pre-sense city with Autonomous Emergency Braking and pedestrian detection – detects impending collisions at up to 85 km/h ²	●	●
Electronic Stabilisation Control (ESC) with electronic wheel-selective torque control, ABS, ASR, EDL and Brake Assist	●	●
First aid kit and warning triangle	●	●
Seatbelt reminders for all passengers; illuminated seat buckles	●	●
Tyre pressure monitoring system – status of air pressure and temperatures tyres are displayed in the MMI system	●	●

● = Standard | ◻ = Optional equipment | – = Not available | NCO = No cost option

^Δ Fuel consumption, CO₂ emission data, energy consumption and range figures as applicable to the e-tron are derived from laboratory testing in accordance with ADR81/02. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

^Δ Figures are calculated on the basis of 21 inch wheels.

Packages

	Option Code	e-tron S	e-tron S Sportback
Sensory package			
<ul style="list-style-type: none">▶ Digital Matrix LED headlights with extended light sequencing – 5 dynamic image/animation projections with front and rear dynamic indicators▶ Exterior door entrance LED projector lights with e-tron logo, front and rear▶ Power-assisted soft close doors▶ Heated rear outer seats▶ Air quality package - enhances the interior climate through ionisation and fragrancing▶ Upper part of dashboard and lower interior elements (door armrest and lower parts of centre console) in full leather upholstery▶ Sunshade for rear windows, manual	WN8	□	□

● = Standard | □ = Optional equipment | – = Not available | NCO = No cost option

Standard equipment and options

	Option Code	e-tron S	e-tron S Sportback
Wheels, suspension, brakes and driving dynamics			
 21" Audi Sport alloy wheels in 5-Y-spoke rotor style, black, gloss turned finish with 285/40 tyres		●	●
 22" Audi Sport alloy wheels in 5-arm-interference design, titanium grey, gloss turned finish with 285/35 tyres	V40	□	□
Brake callipers in orange		●	●
Anti-theft wheel bolts and loose wheel detection		●	●
Collapsible temporary spare wheel		●	●
Audi drive select		●	●
e-quattro all-wheel drive with electric torque vectoring – active and fully variable torque distribution on the rear axle		●	●
Adaptive air suspension sport – electronically controlled with continuously variable adaptive damping system		●	●
Paint finishes[^]

Standard equipment and options

	Option Code	e-tron S	e-tron S Sportback
Assistance systems			
Adaptive drive assist including adaptive cruise control with Stop&Go, distance indicator, traffic jam assist and lane guidance assist ²		●	●
Audi active lane assist – when activated helps the driver stay in the lane by gentle corrective steering intervention and through steering vibration ²		●	●
Audi pre-sense front with Autonomous Emergency Braking (AEB) – provides collision mitigation up to 85 km/h (pedestrians) and up to 250 km/h (vehicles) ²		●	●
Audi pre-sense rear – preventative protection measures including tensioning of front seat belts and closing of windows and sunroof where the risk of a collision is detected ²		●	●
Audi side assist – blind spot warning system ²		●	●
Audi parking aid plus with front and rear sensors ²		●	●
360 degree cameras including kerb view function – 4 wide-angle cameras cover the entire area immediately around the vehicle, providing a range of different views for even easier manoeuvring ²		●	●
Intersection crossing assist – monitors the area in front of and at the side of the vehicle on junctions and exit roads to detect oncoming objects. A visual and acoustic warning is provided, and if the situation is critical, a warning brake jolt follows which operates at speeds up to 10 km/h ²		●	●
Collision avoidance assist – provides additional assistance to the driver with supporting steering torque in critical situations where the driver initiates evasive action ²		●	●
Cross traffic assist rear – supports the driver when reversing out of a perpendicular parking space reducing the risk of accidents ²		●	●
Exit warning system – detects cars and cyclists when opening doors		●	●
Light and rain sensor – automatic control of lights-on function and windscreen wipers		●	●
Predictive efficiency assistant		●	●
Provision for trailer towing hitch		●	●
Turn assist – monitors oncoming traffic when turning right at low speeds ²		●	●
Exterior features			
Matrix LED headlights with front and rear dynamic indicators; daytime running lights, dipped beam, high beam, position light, turning light, all-weather light, motorway light, synthetic cornering light, automatic-dynamic headlight range control, dynamic light design and headlight washing system		●	●
Digital Matrix LED headlights with extended light sequencing – 5 dynamic image/animation projections; front and rear dynamic indicators; daytime running lights, dipped beam, high beam, position light, turning light, all-weather light, motorway light, manoeuvring light, automatic-dynamic headlight range control, dynamic light design and headlight washing system		Included in Sensory package	Included in Sensory package
Exterior door LED projector lights with e-tron logo, front and rear		Included in Sensory package	Included in Sensory package
Power-assisted soft close doors		Included in Sensory package	Included in Sensory package
Convenience key, full keyless entry and start		●	●
Exterior mirrors; heated, folding and auto dimming with memory; kerb-side function on the passenger side		●	●
Exterior mirrors in aluminium look		●	●
Virtual exterior mirrors – aerodynamically exterior mounted cameras transmit images directly to the OLED touchscreen, includes kerb view, intersection view and motorway view	PAF	□	□
S body styling including S front and rear bumpers, grille, side sills and rear tailgate spoiler		●	●
High gloss styling package with exterior window slot trims in anodised aluminium including B and C-pillar trims in gloss black		●	●
High-gloss black exterior styling package – accents on the Audi Singleframe, trim strips on the side windows, the side door inserts and the front and rear bumpers in black; exterior mirror housing in high-gloss black and roof rails in black for e-tron S (black roof rails optionally available on e-tron S Sportback)	4ZD	□	□
Roof rails in aluminium	3S1	●	□
Roof rails in black (only in conjunction with black exterior styling package)	3S2	NCO	□
Electric rear tailgate with programmable opening height and gesture control		●	●
Privacy glass – dark tinted rear and rear side windows		●	●
Panoramic glass sunroof		●	●

● = Standard | □ = Optional equipment | – = Not available | NCO = No cost option

Standard equipment and options

	Option Code	e-tron S	e-tron S Sportback
Seating and upholstery			
S sport front seats, in Valcona leather upholstery with diamond contrasting stitching and embossed "S" on the front seats		●	●
Electric adjustment of seat height, fore/aft position, backrest angle with integrated headrests and memory function for drivers seat		●	●
Upper part of dashboard and lower interior elements (door armrest and lower parts of centre console) in leather appointed upholstery (contains man-made material)		●	●
Upper part of dashboard and lower interior elements (door armrest and lower parts of centre console) in full leather upholstery		Included in Sensory package	Included in Sensory package
4-way lumbar support for driver and front passenger seats		●	●
Heated front seats		●	●
Heated rear outer seats		Included in Sensory package	Included in Sensory package
Inlays			
Inlays in matt brushed aluminium, dark		●	●
Inlays in carbon square structure	5MK	□	□
Interior features			
4-zone climate control air conditioning – separately adjustable temperature and air distribution settings for left and right-hand sides at front and rear; rear touchscreen display		●	●
Air quality package – enhances the interior climate through ionisation and fragrancing		Included in Sensory package	Included in Sensory package
Auto-dimming interior mirror, frameless		●	●
Door sill trims in aluminium, illuminated with S badging		●	●
Colour interior lighting package including ambient lighting with 30 selectable colours and 6 colour profiles		●	●
Sport leather steering wheel with multifunction plus, shift paddles, steering wheel heating and S badging		●	●
Electrically adjustable steering column with memory functionality (Not currently available – Please refer to disclaimer on the front cover of this Specification Guide)		●	●
Headlining in black fabric		●	●
Sunshade for rear side windows, manual		Included in Sensory package	Included in Sensory package
Electric luggage compartment cover		●	●
Load sill protector in stainless steel		●	●
Comfort front centre armrest with adjustable fore/aft position and angle		●	●
Floor mats in front and rear, contrasting stitching		●	●
Storage and luggage compartment package (2 cup holders in the rear centre armrest, nets in the luggage compartment)		●	●

● = Standard | □ = Optional equipment | – = Not available | NCO = No cost option

Standard equipment and options

	Option Code	e-tron S	e-tron S Sportback
Infotainment			
Audi connect plus Navigation & Infotainment³ services including:			
▶ Online traffic information with hazard alert			
▶ Destination entry via myAudi or Google Maps			
▶ Parking information			
▶ Weather			
▶ Fuel prices			
Audi connect plus Security & Assistance services⁴ including:			
▶ Car finder with remote signal		●	●
▶ Remote lock & unlock			
▶ Emergency call			
▶ Online roadside assistance			
Audi connect plus e-tron services including:			
▶ Remote charging			
▶ Remote climate control			
▶ Driving data			
Audi virtual cockpit plus – fully digital configurable instrument cluster with 12.3 inch high resolution colour display with "e-tron S" specific view		●	●
Audi smartphone interface – connects to Apply CarPlay and Android Auto via USB to access approved apps via the MMI interface ⁵ ; includes wireless Apple CarPlay		●	●
Audi music interface – 2 x USB inputs in front, 2 x USB inputs in rear with charging functionality		●	●
Audi phone box light – supports wireless charging via the "Qi" standard for compatible smartphones and smartphone covers ⁵ (Not currently available – Please refer to disclaimer on the front cover of this Specification Guide)		●	●
Bang & Olufsen 3D Sound System, 16 speakers including 3D sound speakers, centre speaker and subwoofer, 15-channel amplifier with a total power of 705 watts		●	●
DAB+ Digital radio ⁶		●	●
Head-up display – in colour with speed, navigation and assistance information		●	●
MMI navigation plus⁷ with MMI touch, acoustic & haptic feedback including:			
▶ High-resolution 10.1 inch colour display for navigation system			
▶ High-resolution 8.6 inch colour display for climate control functions and with handwriting recognition and favourites list			
▶ Voice control with natural speech recognition		●	●
▶ 3D map display including places of interest and city models			
▶ MMI search: free-text search with intelligent destination suggestions			
▶ Everyday speech interaction for easy operation of infotainment features			

● = Standard | □ = Optional equipment | – = Not available | NCO = No cost option

Please note that this is a preliminary specification sheet and the information contained within it can change without notice prior to launch of the vehicle. This should only be used as an ordering guide only.

- # Fuel consumption, CO2 emission data, energy consumption and range figures (as applicable to the vehicle in question) are derived from laboratory testing in accordance with ADR81/02. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.
- * The content and scope of the Audi connect plus services offered may vary from time to time. Features vary by model and Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Audi connect plus services. Terms and conditions apply, please visit www.audi.com.au/audiconnectplus-termsofservice for more information. Additional information about our privacy practices and procedures is contained in our Privacy Policy located at: www.audi.com.au/audiconnectplus-privacypolicy
- 1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.
- 2 Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.
- 3 Audi connect plus Navigation & Infotainment services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The data connection for the Wi-Fi hotspot, use of the online radio and hybrid radio services as well as online media streaming and other services offered via an Audi smartphone app are not included. For these services, an external customer SIM card can be inserted into the external SIM card slot to establish a data connection. If an external SIM card is inserted into the card slot or connected via Remote SIM Access Profile (rSAP), all data connections, for both the Audi connect services as well as for the Wi-Fi hotspot, will be established via this external SIM card. In such cases, the costs incurred are attached to those accrued via the external SIM card. The services are generally provided for at least 1 year and up to 3 years from vehicle delivery. If Audi connect plus services are based on services from third-party providers, permanent availability cannot be guaranteed as this is the responsibility of the third-party provider.
- 4 Audi connect plus Security & Assistance services. These services are provided through a SIM card permanently installed in the vehicle. The costs of calls and data connections are included in the price of the services. The services provided by Audi are only available within the coverage of the mobile phone network. The services are generally provided for at least 1 year and up to 3 years from vehicle delivery. The emergency call service is provided for up to 10 years from vehicle delivery.
- 5 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.
- 6 Digital radio reception coverage dependent on vehicle location.
- 7 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.
- 8 Chargefox Rapid and Ultra-rapid charging stations only, some exclusions apply. Please visit chargefox.com.au and the Chargefox app for eligible rapid and ultra-rapid charging locations and terms of use.
- 9 Scheduled servicing for 6 years or 90,000kms from the date of first registration (whichever occurs first) as per the manufacturer's recommended scheduled servicing specifications at authorised Audi dealers only. Excludes wear and tear items and any additional work or components required. Terms, conditions and exclusions apply.
- 10 2 years AudiCare Roadside Assistance plus 4 years Service Initiated Roadside Assistance, which are activated when the scheduled services are performed by an authorised Audi dealer. Terms, conditions and exclusions apply.
